

***A List of Robert Salter's Flies: 1823:  
The Modern Angler: 29 patterns  
From: Lawrie: English Trout Flies. 1967***

**Hooks on rapid streams: 9 or 10**  
**Hooks on slow deep streams: 5 or 6**

**1. Blue Dun:**

Wings: Starling (upright)  
Body: Blue Fox fur mixed with a little yellow camlet.  
Note: this fly is often made with a light dun hackle instead of a wing.

**2. Marlow Buzz:**

Hackle: pale red cock, black at the root.  
Body: Peacock hurl or black Ostrich hurl, ribbed with silver twist

**3. Camlet Fly:**

Wings: pale blue feather from under a Woodpigeon's wing  
Body: yellow camlet

**4. Stone Fly:**

Wings: Peahen's feather (four wings)  
Body: brown hare's ear fur with nearly the same quantity of yellow camlet  
Ribbing: yellow silk  
Legs: a grizzle hackle, twice under the wings  
Note: often tied without wings.

**5. March Brown:**

Wings: (upright) shaded part of a Partridge tail, or brown hen's neck  
Body: brown Hare's ear fur mixed with a small proportion of lemon mohair  
Legs: partridge hackle wrapped thrice around the wings  
Note: on small streams, tie as a dropper with a Partridge back hackle without wings.

**6. Cowdung Fly:**

Wings: Partridge wing (flat) or small ginger hackle  
Body: orange mohair, short and thick

**7. Peacock Fly:**

Wings: Peahen's feather (upright), or brown hen feather  
Body: Peacock hurl  
Legs: three turns of a small dark dun hackle

**8. Sandfly:**

Wings: Landrail  
Body: brightest part of a hare's neck  
Ribbing: orange silk.  
Note: may be tied hackle wise with a ginger hackle or Wren's tail

**9. Gravel Fly** (a small fly)

Wings: Peahen or brown hen's feather  
Body: lead-colored silk, a little waxed  
Legs: three turns of Plover's topping

**10. Down Fly:**

Wings: any soft white feather  
Body: white rabbit fur  
Legs: two turns of a small white hackle

**11. Orange Fly:**

Wings: Fieldfare's tail, or hacklewise with a dark dun hackle  
Body: orange silk

**12. Black Gnat:**

Wings: lightest Starling  
Body: Ostrich hurl (black) short and thick  
Legs: a small light dun hackle

**13. Hawthorn Fly:**

Wings: palest Starling  
Body: black Ostrich hurl, long and slender  
Legs: three turns of Plover's top

**14. Iron Blue:**

Wings: hen Blackbird tail  
Body: mole's fur  
Legs: a short dark dun hackle, three turns

**15. Willow Fly:**

Wings: hacklewise, yellow  
Body: yellow camlet  
Legs: hacklewise yellow  
Ribbing: green silk

**16. Ori Fly:**

Wings and legs: hacklewise a dark grizzle hackle  
Body: bronze Peacock hurl

**17. Green Drake:**

Ordinary pattern

**18. Grey Drake:**

Ordinary pattern

**19. Oak Fly:**

Wings: Woodcock's back  
Body: Bittern hackle  
Legs: a ginger hackle

**20. Green Gnat:**

Wings  
and Legs: hacklewise, a small black cock's hackle  
Body: (very small) green silk

**21. Woodpecker Fly:**

Wings: pale green feather of a Woodpecker's back  
Body: green silk  
Legs: a black cock's hackle

**22a. Brown Lady Fly:**

Body: brown hare's ear fur mixed with darkest otter fur  
Legs: a grizzle hackle

**22b. Black Lady Fly:**

Body: black Ostrich hurl  
Legs: a small bright red hackle (cock?)

**23. Yellow Palmer Fly:**

Wings  
and legs: hackle-wise, a ginger hackle  
Body: yellow camlet  
Ribbing: in larger patterns use a gold twist

**24. Squirrel Fly:**

Wings: Peahen  
Body: red squirrel fur  
Ribbing: fine primrose silk  
Legs: three turns of grizzly hackle  
Note: on clear streams the hackle may be omitted

**25. Blue Gnat:**

Wings  
and legs: hackle-wise, a dark dun hackle  
Body: slender, Water-rat or mole's fur

**26. Red Fly:**

Wings: red feather from a Partridge tail  
Body: red squirrel's fur  
Legs: two turns of a ginger hackle

**27. Miscellaneous Unnamed Flies for Salmon-Fly Fishing:**

Hook: 10

**a.** Wings  
and legs: mealy grey cock's hackle  
Body: Peacock hurl

**b.** Wings  
and legs: a small dun hackle  
Body: silver twist
